EDUCATION

By Ellen Cannon

The education committee has been busy looking at new classes for 2023. We have the **February** class under contract. It is the class with **Linda Hahn** and her one pin paper piecing. This class is a wall hanging, it is a all day class. The pattern can only be gotten through taking her class. Linda is a very funny sought after teacher. This year she has taught at Daytona AQS, Paducah AQS, and has 4 classes scheduled in Houston. In between these large shows she has taught all over the country for quilt shows and guilds. We were lucky to lock her in at the beginning of 2022.

This class is scheduled for **February 27th and the fee is \$50**. She will only take 20 students.

The fees for her classes in Houston are \$122.00 to 130.00. Your guild is offering you a great fun bargain. Sign up is open to the first 20 members and then we will start a waiting list.

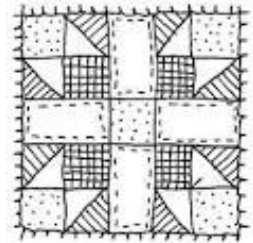

Before we get to 2023 we need to finish out 2022. **Demo Day** is coming very quickly...Nov. 28! The theme for Demo Day this year is quick easy gifts/remembrances. I need at least 2 more ladies to do a demo. Look around find something that you think is cute for packaging or a remembrance. Look on Pinterest, you'll find something. This is a fun day and everyone learns something. Thanks to all the 2022 teachers. You have done a great job!

FEATURED QUILTER

By Donna Caldarise

Janet Gallia is our featured quilter this month. Janet is originally from Andover Massachusetts, which is north of Boston. She was moved by the company she worked for and ended up in St. Louis, Missouri. She has also lived in Dayton, Ohio and Springfield, Illinois.

Janet has been quilting for about 8 years. She has sewn clothing all her life. Janet and her girlfriend joined the American Sewing Guild and branched out to quilting. Her first quilt was a full-size flying geese pattern. It was scary at first but once it was done, she was so proud because it came out great, she wanted to do more quilting! However, she still does a lot of clothes sewing because she and her husband do re-enactments.

Janet is a new member she just joined this past year. After moving to Florida, she attended classes at Miss D's. She really missed the camaraderie of the group she belonged to in St. Louis. (They did weekend retreats and conferences. It was so much fun.)

Janet has not served on any Guild committees yet. Working full time in a high stress demanding job makes it difficult, but she is planning on retiring in 2023. She would like to start attending Guild classes after her cancer treatments are completed. Her goals are to master "quilt as you go" and free motion quilting.

Janet is married and has two sons who are married, one lives in New Hampshire, the other in Colorado. She has four grandchildren. Janet and her husband enjoy participating in re-enactments in St. Augustine. She has joined a Bible Study Fellowship group and they have found a church. They are still learning about this area and making progress! Janet loves to cook and is addicted to the Food Channel and Create TV.

And what didn't we know about Janet? She used to fix her TV in the 70s by going to Radio Shack and testing the TV tubes to find the bad ones. How many of us remember TV tubes?!

HOSPITALITY

Our new chairperson is Elfriede Echt!

Refreshments are pretty well covered for now, but she'll be sharing important information about our future meetings and how you can help.

December will be holiday treats to share...stay tuned!

LIBRARY

By Vicki Zoller

New Material

We have three new items in the library this month. Kathryn D'Elia donated two sets of color wheels to our library. You may remember the informative program she gave on the use of color. These tools can help you choose some great fabrics and color schemes for your next project. Thank you, Kathryn!

We are also adding the book, *Adventures in Circles* by Leigh E. McDonald. this book comes from my personal library. If you took the Perfect Set-in Circle class, you will love the projects in this book. There are lots of ways to use your new-found skills. You can also find inspiration if you prefer to appliqué your circles.

Our new book from last month, *Quilt the Rainbow*, is back in circulation. And a reminder to the Perfect Set-in Circles alumni that I have a folder of patterns that use set-in circles that you can borrow.

After you have bought some beautiful fabrics at QuiltFest, stop by the library for a book to inspire you to use your fabrics in a new project.

QUILTFEST

By Linda Wilson

This year's QuiltFest, the first since 2019, begins on Thursday, September 15 and runs through Saturday, September 17. The theme is "2020 is Sew Perfect - Finally!" Volunteers are still needed for many jobs. QuiltFest is an all-volunteer show, and its success depends on the work of all volunteers. You can go to the QuiltFest website (quiltfestjax.com) to volunteer by using SignUp Genius to choose a volunteer position. If you haven't signed up to volunteer, please consider doing so.

Remember, if you volunteer you will get into the show free on the day you volunteer. Also, if you have a quilt or quilts in the show, you will receive free admission all three days of the show.

When you arrive at the show to volunteer, go straight to the end of the lobby to the volunteer sign in table. You will receive your name tag and your assignment, and you can begin your volunteer shift.

Judging starts on Tuesday, September 6 and runs through Friday,

Cont. next page.....

September 9. Judging will take place at the Prime Osborn convention center this year. If you have never attended judging, you will find it to be a very interesting and educational experience. If you are interested in volunteering to help at judging, go to the QuiltFest website, and follow the prompts to access SignUp Genius. Judging is the first volunteer job listed. You can choose the time you would like to volunteer and sign up online.

This year parking for the show is \$5 per car. All purchases at the Prime - parking, admission and food - must be paid with either a credit or debit card. This is a city policy to safeguard against transmission of Covid and does not apply to the vendors who will accept cash, credit cards or debit cards.

QUILTS of VALOR

By Linda Marsh

Become part of the All Stars Quilt of Valor team!

Members living in or near Orange Park/Middleburg or Arlington/north Jacksonville are needed to cover those two areas for presenting Quilts of Valor to veterans following their nomination and approval for an award. The Quilt of Valor Foundation provides military information on the veteran, and you would coordinate a convenient time and location for presentation of the veteran's quilt with the veteran's Nominator, as well as present a Quilt of Valor Certificate. During the presentation a short 2-minute script is read detailing the veteran's years of military service.

Most awards are made outdoors in the recipient's front yard, but if the location is more than a few miles from your home, you can request the presentation be held outdoors near a public meeting point half way.

Please email or call Linda Marsh if presenting Quilts of Valor is something you might be interested in. During a normal year, you would present between 4 and 8 QOVs. This is a wonderful opportunity to meet some of our country's most cherished veterans and their families. Thank you. lindaemarsh@gmail.com; 904-304-4181

HONOR FLIGHT QUILTS

Sharon Buquo is looking for about 20 of these wheelchair size quilts. They can be any pattern, but there is one on our website. 45" square or smaller. Please get them to her by October.

RAFFLE QUILT

Drawing for our 2022 quilt will take place Saturday afternoon at QuiltFest. The Big Reveal of our 2023 quilt will be at the OCTOBER General meeting!

RETREATS

SPRING: This in-town retreat was a great success! Looking for a hotel location in-greater mandarin/Southside area for next year...stay tuned!

Cont. next page.....

FALL: The theme for this year's retreat is "Down On the Farm," and I think you will find this to be an amusing theme. The planning committee (Pat D'Elia, Sunnie Malesky, Linda McClelland, Sherry Verell, Mary Anne Dennis and Linda Wilson) has been hard at work to make sure everyone has fun. If you have a wagon, be sure to bring it because this year, instead of a door-decorating contest, we will have a wagon train with decorated wagons. Mary Beth, the director of the conference center, will judge the entries.

The deadline for the final payment of the registration fee (\$300 total) is the October 17 guild meeting. You can make your payments at the guild meetings in September and October, or your payment can be mailed to Pat D'Elia (her address is in the member handbook).
