

Strippy Stars with Janet

Instructor: Janet Wells (scrapjan@comcast.net)

Supplies to bring to class:

- Sewing machine in working order with all cords and pedals, machine feet and your machine manual
- (optional) Grid Glider (to get those great scant $\frac{1}{4}$ " seams!)
- Cotton piecing thread and bobbins already wound and ready to sew
- Scissors and snips
- Rotary cutter and rulers (we always recommend Creative Grids rulers- a $2\frac{1}{2}$ x $12\frac{1}{2}$ or $2\frac{1}{2}$ x $6\frac{1}{2}$ " ruler will be great)
- Strippy Stars ruler from Creative Grids
- Pin cushion and pins
- Small iron and ironing mat or wooly mat
- Thin PERMANENT marker that will show up on your background fabric (Micron pigment pens are great for this-any color will work as we will use where it won't be seen!)

Pattern: none needed

Fabric:

We will be making a few different sizes of stars so you can really learn this ruler!

- Patterned or solid colored fabric: You will need $2\frac{1}{2}$ "x WOF strips (at least 8) you can use a new jelly roll or strips left from a previous project or even cut your own strips.
- You will also need a center fabric for each star-you can match your star points or choose something different. You need one square at $4\frac{1}{2}$ ", one at 3" and one at $2\frac{1}{2}$ ".
- Background fabric: choose this to compliment your strips. Please cut before class:
 - Nine (9) $4\frac{1}{2}$ " squares
 - Nine (9) 3" squares
 - Nine (9) $2\frac{1}{2}$ " squares
