## FRIENDS OF QUILTFEST

Calling all FRIENDS OF QUILTFEST:

We are down to the wire. **The last chance to get in the QuiltFest program as a friend will be our general meeting, August 21st.**

All Star Quilt Guild has done a fabulous job of supporting this project. Of course you have, we are the best guild.

There are three ways to be a Friend of QuiltFest. By listing your name, your grandchild or a friend. You can put "In honor of a special someone", or you may put "In memory of a special someone"!

One name per line please. Each line is \$5.00.

Just a reminder of why we are doing this:

# CHALLENGE

By Vicki Zoller

## 2023 Guild Challenge

Selvages, denim, and yo-yos, oh my! Those were some common elements of many of the 16 Challenge quilts shown at the July general meeting. Everyone enjoyed seeing all the creative quilts, and well as hearing the interesting stories behind them.

Congratulations to the winners of this year's Challenge. Mary Anne Dennis made use of many selvages in her Re-cycled bicycle quilt. Marita Eng took the humble yoyo to a new level of artistry in her wonderful quilt. Deb Frain used denim and vintage materials to make a stunning variation of a peeled-back quilt-as-you-go quilt.

Thank you to everyone who made Challenge quilts. You made the July program fun and entertaining. A reminder that if your quilt is 24" x 24" or less, you can donate it to QuiltFest for the Silent Auction, if you wish. Also thank you to helpers for the Challenge program Mary Anne Dennis, Linda Harper, Pris Roehm, and Ellen Cannon.

The 2024 Challenge will be announced in January. I look forward to seeing more creative All Star quilts next year.

**On August 21st our program will be a Show & Tell of all the quilts that come in!** Please bring yours in before the meetings starts so we can have them on display up front. The members of the Community Service committee will be the Judges, as all quilts will be donated for our service projects.

## **EDUCATION**

**By Ellen Cannon**

It has been a busy year for education. **Our last class for the 2023 will be August 28.** This class will be square grid interface, taught by Georgina Lewis. **The class is full and we do have a waiting list.**

The tools needed for the class are on the website under Education. Please remember Georgina will be providing scraps from her beautiful fabrics for this class. If you have a particular theme or color way you might want to bring 4 or 5 fat quarters from home.

Pris and I have been thinking about 2024 classes. We have a couple of things in the works. If you have a particular interest please talk to one of us.

Have you marked your calendar for **Demo Day? It is November 27th, at 10:00 AM.** A fun morning for all.

Thanks to everyone for your help setting up and tearing down classes. That is a big job and all help is so appreciated.

## **FEATURED QUILTER**

**By Linda Marsh**

Our Featured Quilter for August is **Karen Duffy**. She is originally from Wisconsin, but has also lived in Abileen, Texas, Mildenhall, England, and Spokane, Washington. She

has lived in the Saint Johns area for 8 years, and has been quilting for 6 years.

Karen is a self-taught quilter. She made her first quilt for her granddaughter, Trinity, who was 9 years old at the time. Because Trinity has a sister, Leona, and two brothers, Noah and Eli, she also made quilts for each of them. Karen designed all of the quilts herself, and all are applique quilts. Please see photos.

As shown by the photos, Karen favorite type of quilting is applique. She is trying her hand at a couple of non-applique type quilts; both are works-in-progress.

Karen has been a member of All Stars Guild since December 2022. Jill Kelly told her about the guild. Karen loves seeing all of the beautiful quilts that other members make, and is inspired to learn and do more.

In addition to quilting, Karen loves photography, crocheting, knitting, sewing, painting, glass engraving and enjoys trying anything craft related. She is always looking for something new to learn.

Most of the quilts Karen makes have a story behind them. Her favorite quilt is the one she made her husband, John, to welcome him home from Vietnam. See attached photo of her patriotic quilt.

John and Karen love to travel. John, is retired Air Force and they traveled a lot while in the military. They have 3 children, Lisa, Shawn and Matthew. They have 10 grandchildren and 4 great grandchildren. She also has two spoiled cats, Lucy Lou and Charlie. Something most people do not know about Karen is that when she was younger she owned and rode a motorcycle.

# LIBRARY

By Vicki Zoller

Library News

I have completed the annual inventory of the Guild's library. You can view the list of books on the All Star website, [www.allstarquilters.org](http://www.allstarquilters.org). I have liberated some old books to make way for new acquisitions. I will have the “liberated” books for sale for \$1.00 each at the August meeting. Stop by the library to see them. Bring the exact change for your purchase, please.

There are 3 new additions to the All Star library: **Quilting with My Sister by Barbara Brandenburg, Quilt Talk by Sam Hunter, and Playful Petals by Corey Yoder**. This month I will feature Playful Petals. All the projects in this book feature an elongated leaf or petal shape. You won't believe all the cool things you can make with just this one shape. If you like easy appliqué, this book is the one. Be the first person to check it out! I will feature the other new books in a future newsletter.

The Dog Days of August are a good time to curl up in air conditioned comfort and peruse a quilt book, don't you think?

# MEMBERSHIP

By Susan Sharpe

Eighty-four members attended the General Meeting held on July 17, 2023, at First Christian Church. We had three guests, one new member in attendance, plus two mail-in new members.

The new members are: Janice Jones, Julie Mainor and Georgina Lewis. There are now 174 members in All Star Quilters' Guild. Due to so many new members, please remember to bring and wear your nametags.

Thank you to everyone who signed up to be a greeter for those who come into our meeting without knowing anyone. I will send a reminder email no later than the Friday before the General Meeting to those who signed up and ask the volunteers to arrive at or before 9:30 am, choose a seat and perhaps save an extra seat for a guest; then linger near the membership table so I can connect you to the guest. August Greeters are Patti Sanders and Barbara Nichols. Future openings are: one in September, one in October, two in November and two in December. Please give it consideration.

I have eleven t-shirts that need to be picked up by their owners. If you get to the August meeting, please remember your \$20. There will be no more orders until at least the Membership Renewal period, and then only if warranted.

## **QF VOLUNTEERING**

Hello everyone,

I see lots of slots filled in over the last month. Thanks so much to each of you for your valiant efforts. Keep up the good work.

In particular, we need help hanging quilts on Tuesday, September 12. No ladder required, but volunteers must be able bodied enough to lift arms overhead. Volunteers for setups on Wednesday are also needed.

Volunteers get in free for each day they serve. We love our volunteers and couldn't run the best regional Quilt Show in Florida without them.

Utilize email blasts, newsletters, meetings, small groups, and personal outreach. Often, just asking on a personal level is more successful than a mass callout for help.

Let me know how I can assist. I can even visit your guild to speak at your August meeting if you think that will help with recruitment.

Thanks again. Lisa Schreck, Quiltfest Volunteer Coordinator 704-453-4122

## **QUILTFEST TURN-IN DAY SAT. SEPT. 2nd!**

A Sign-up clipboard will be going around at this General meeting.

We need 6 people in the morning 9:30 to Noon, and 6 people in the afternoon Noon to 2:30 (at latest).

**DON'T FORGET TO TURN IN YOUR ENTERED QUILTS!!!**

## **SIT & STITCH**

**By Trish Egbert & Mary Anne Dennis**

What is Sit 'n Stitch? For those new to the guild, it's an informal gathering of All Stars. Not a meeting. Not a class. Just a bunch of us who bring our own projects to work on while we get to know other guild members. It happens every second Monday morning at the church. We start gathering about 9:30 and work and problem solve until about noon. This month, it's on August 14.

Sit 'n Stitch is a great place to get away from distractions at home. You can get opinions and help from other quilters if you feel stuck or need confirmation that you're on the right track. Sometimes we talk more than we work. Sometimes we get inspiration or motivation from each other. Always, it's just nice to be in the company of like-minded stitchers.

Trish Egbert and Mary Anne Dennis are this year's hostesses. Each of them frequently has community service projects that they will be happy to let you help with. If you bring your sewing machine and supplies, or your cutting mat and supplies, we will probably have something you can work on if you don't bring your own project. Most likely, we can find something for you to do even if you come empty-handed!

Occasionally we have a special project or a demo going on at Sit 'n Stitch. These will be announced in advance. Even on those days, members come and work on their own projects while the group activity goes on.

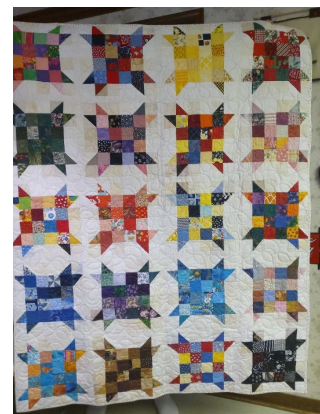

Join us. You'll enjoy it!

**TREASURE TABLE!** (formerly the Free-

**bie Table...still FREE!)**

Just a reminder if you put something on the FREE Table and would like to take it back after the meeting please do so. We

are donating the items that are left on the table to make room for new items the following month.
